GRANT DEED

	(Grantor - Managanes)
OR A VALUABLE CONSIDERATION, receipt of wh	ich is hereby acknowledged, do es
ereby grant to the CITY OF RIVERSIDE, a mu	nicipal corporation, the real property in the
, '	te of California, described as follows:
Parcel 1 That portion of Lot 21 of file in Book 17, page 17 of may California described as follows	Bixmill Tract as shown by map on ps, Records of Riverside County,
Beginning at a point in the Avenue, (110 feet wide), S89°30 line of Crest Avenue, (80.00 feet) beginning of a tangent curve,	he northerly line of Arlington 0'00"E, 60.00 feet from the center eet wide); said point being the concave northeasterly with a radius
central angle of 90° for an are	g said tangent curve, through a c length of 31.42 feet to the end point of cusp;
Thence S00°31'00"W, 20.00 Thence S89°30'00"E, 20.00	feet; feet to the point of beginning.
Parcel 2 That portion of Lot 21 of	Bixmill Tract as shown by map on
Colifornia described as follow	ps, Records of Riverside County,
California, described as followed Beginning at a point in the Avenue, (110 feet wide), N89°30 line of Rutland Avenue, (80.00 beginning of a tangent curve, radius of 20.00 feet;	ws: he northerly line of Arlington 0'00"W, 61.16 feet from the center feet wide); said point being the concave northwesterly, having a
California, described as followed Beginning at a point in the Avenue, (110 feet wide), N89°30 line of Rutland Avenue, (80.00 beginning of a tangent curve, radius of 20.00 feet; Thence northeasterly along central angle of 90°53' for an end of said tangent curve and Thence S00°23'00"%, 20.31	ws: he northerly line of Arlington 0'00"W, 61.16 feet from the center feet wide); said point being the concave northwesterly, having a g said tangent curve through a arc length of 31.72 feet to the to a point of cusp;
California, described as followed Beginning at a point in the Avenue, (110 feet wide), N89°30 line of Rutland Avenue, (80.00 beginning of a tangent curve, radius of 20.00 feet; Thence northeasterly along central angle of 90°53' for an end of said tangent curve and Thence S00°23'00"%, 20.31	ws: he northerly line of Arlington 0'00"W, 61.16 feet from the center feet wide); said point being the concave northwesterly, having a g said tangent curve through a arc length of 31.72 feet to the to a point of cusp; feet;
California, described as follow Beginning at a point in the Avenue, (110 feet wide), N89°30 line of Rutland Avenue, (80.00 beginning of a tangent curve, radius of 20.00 feet; Thence northeasterly along central angle of 90°53' for an end of said tangent curve and Thence S00°23'00"E, 20.31 Thence N89°30'00"W, 20.31	ws: he northerly line of Arlington O'00"W, 61.16 feet from the center feet wide); said point being the concave northwesterly, having a g said tangent curve through a arc length of 31.72 feet to the to a point of cusp; feet; feet to the point of beginning.
California, described as follow Beginning at a point in the Avenue, (110 feet wide), N89°30 line of Rutland Avenue, (80.00 beginning of a tangent curve, radius of 20.00 feet; Thence northeasterly along central angle of 90°53' for an end of said tangent curve and Thence S00°23'00"E, 20.31 Thence N89°30'00"W, 20.31	ws: he northerly line of Arlington 0'00"W, 61.16 feet from the center feet wide); said point being the concave northwesterly, having a g said tangent curve through a arc length of 31.72 feet to the to a point of cusp; feet;
California, described as follow Beginning at a point in the Avenue, (110 feet wide), N89°3 line of Rutland Avenue, (80.00 beginning of a tangent curve, radius of 20.00 feet; Thence northeasterly along central angle of 90°53' for an end of said tangent curve and Thence S00°23'00"E, 20.31 Thence N89°30'00"W, 20.31	ws: he northerly line of Arlington O'00"W, 61.16 feet from the center feet wide); said point being the concave northwesterly, having a g said tangent curve through a arc length of 31.72 feet to the to a point of cusp; feet; feet to the point of beginning.
California, described as follow Beginning at a point in the Avenue, (110 feet wide), N89°31 line of Rutland Avenue, (80.00 beginning of a tangent curve, radius of 20.00 feet; Thence northeasterly along central angle of 90°53' for an end of said tangent curve and Thence S00°23'00"E, 20.31 Thence N89°30'00"W, 20.31 Thence N89°30'00"W, 20.31	he northerly line of Arlington 0'00"W, 61.16 feet from the center feet wide); said point being the concave northwesterly, having a g said tangent curve through a arc length of 31.72 feet to the to a point of cusp; feet; feet to the point of beginning.
